I was able to cancel our reservation for the June 7 conference session. The early bird ticket for the August 17 conference is \$99. Do you still want to attend or both of us to attend?

We are already registered for the June 7 session. Do you want me to call and try to cancel if possible and register us for the August 17 all day conference?

Hmm. I think the August 17 conference would be beneficial. Not sure about June 7.

Yes. I signed us up for this segment of the Momentum Nonprofit Partners thinking this was the August 15th event. Well it wasn't. This is a two and a half hour session for \$30 on June 7th. The main conference "Call For Speakers" on August 17th is \$99.00. It looks like it says the fee is waived if you register before May 31st, however when I tried to register you for that one, there was no fee waiver. Do you still want to attend?

The Mission Driven Special Event: A Beginner's Guide

A nonprofit special event reflects your organization's image — from the initial invitation to onsite operations. The way your event flows can define how an audience sees your agency and understands your mission. Explore various elements of special event planning to ensure that you maximize both your fundraising and your "friend-raising".
